## **Be a learner who teaches and a teacher who learns!**

Short, focused informative PowerPoint or video stories help people quickly learn new ideas. Convert your Science Fair exhibit or other project into video format and use style to tell a story with substance. Read about healthy foods in "Morgan County Menus" from the County Library or the WVU Extension Office. Cash awards will be based on BOTH the substance of clear informative facts and the style of presenting those interesting facts. Special bonus awards for health "Trigger" videos [see: <http://www.efaeducation.org/NewYears/Triggers.html>].

More information on the video contest is at <http://www.fastlearner.org/morgancountyfair.htm>.

The very short video contest is sponsored by **FAST**, The Morgan County Forum for Arts, Sciences, and Technologies (contact = [wemlands@att.net](mailto:wemlands@att.net))
